## What Every Middle School and High School Family Needs to Know

Why would you want to prep for college the same old way everyone else does? That's the surest route to mediocrity!

In this jam-packed Saturday session, students age 12-22, their parents, and their school staff will learn how kids can get through college debt-free and into jobs they love afterward.

Our speaker Jeannie Burlowski is the author of the book **LAUNCH: How to Get Your Kids Through College Debt Free and Into Jobs They Love Afterward** (due out in 2016). You can find her online at [JeannieBurlowski.com](http://JeannieBurlowski.com) and on Twitter @JBurlowski.
