Benefits and Responsibilities of AP/Pre AP Courses

What Advanced Placement Means	Misconceptions about Advanced Placement
Rigorous coursework for students who look to take AP exams for college credit.	AP classes are not required for students to attend college.
AP classes enhance and grow critical and analytical thinkers	AP placement is not based on behavior.
AP classes are different work	AP classes don't mean more homework.

If you have questions about whether your student should take Pre-AP courses, please visit our tables in the auditorium foyer directly following this meeting.
