Edmond Santa Fe Pom Expectations

****All rules & regulations are in addition to the Edmond Public Schools Cheer & Pom District Contract****

Squad Member Expectations

The primary objectives of an Edmond Santa Fe Spirit Squad Member are:

1. **Be a Leader.** A member's main job is to promote school spirit and unity, support and encourage student body involvement at sporting events and various school activities, and provide half-time entertainment at sporting events. Members are expected to set an example for the rest of the student body by exemplifying loyalty, cooperation, and positive attitudes, as well as represent Edmond Santa Fe by acting as positive role models and demonstrating good leadership qualities at all times. Coaches expect all members to set an example in the classroom, hallways, assemblies, games, events, outside of school, in and out of uniform, and on social media (please refer to the District Contract Social Media clause).
2. **Be Dignified and Responsible.** All athletes are expected to conduct themselves with class and dignity, in and out of uniform. Practice good sportsmanship and be in compliance with all rules and regulations. Members' behavior is not only a reflection of their values, but also of their family, their school, and this program. Members must be responsible for their actions and hold themselves and their teammates accountable.
3. **Be Respectful.** Edmond Santa Fe Cheer and Pom is family; important to any family is mutual respect. Members will respect all other members of the spirit squad community, including their teammates, coaches, and other spirit squad members. In return, they will receive the respect that they deserve. Additionally, members must respect the authority of all teachers, administrators, and other authority figures.
4. **Be Committed.** Athletes should take their place in the Edmond Santa Fe Cheer and Pom program seriously. When a member joins Edmond Santa Fe Cheer and Pom, they commit to making themselves better every day and they commit to being there for their teammates. Commitment is about being prepared and present, giving every practice full effort, and motivating teammates to do the same. It is also about making the right decisions in the classroom, in the halls, at events, and off of school grounds.

Parent Expectations

1. In order for the Spirit Squads to be successful, it takes the cooperation of the parents, participants, coaches, and administrators.
2. Parents are responsible for all **financial obligations** for camps, clinics, and other expenses involved in this activity during the school year. These expenses can be offset by fundraisers, but it will be the responsibility of the parents to organize and run the fundraisers, not the sponsors.
3. Parents need to be aware of the time commitment involved in pom and need to support their child and sponsor in these activities to see that he/she fulfills all responsibilities.
4. Understand by the very nature of the activity, cheerleading, dancing, jumping, leaping, tumbling, and stunting carry a risk of physical injury. No matter how careful the participant and coach are, how many spotters are used, or what landing surface is used, the risk cannot be eliminated. The risk of injury includes minor injuries such as muscle pulls, dislocation, and broken bones. The risk also includes catastrophic injuries such as permanent paralysis or even death from landing or falls on the back, neck, or head. As a parent you understand these risks and will not hold Edmond Santa Fe High School or any of its personnel responsible in the case of accident or injury at any time. You also understand that Edmond Santa Fe will do everything possible to prevent these risks.
5. Parents and participants must trust and support the decisions and appreciate the time made by the coaches and administrators to always do what's best for the team. Please keep in mind that coaches have other responsibilities and commitments outside of Cheer and Pom, and it is asked that parents and participants respect their personal and professional time. Any questions or problems concerning the squad should be directed to the coaches via **email**. Issues should not be addressed during practices, games, other school events, or on Groupme. Coaches will make every effort to respond to parent questions, concerns, and inquiries **during school hours**.

6. There is a proper chain of command, starting with the athlete to coach, the parent to coach, then the assistant principal, the principal, and finally the school board. In fairness to all parties involved, please follow the chain of command.

Coach

The coaches will work with the squads in the best interest of the team. All coaches want the best for the program and each individual cheer and pom member.

1. Coaches make all final decisions. Discipline, demerits, grades, choreographers, practice times, events, etc. are the responsibility of the coaches.
2. Members experiencing problems should talk with their coach first and work with them in finding suitable solutions.
3. Members should treat the coaches with respect. All coaches work diligently for the betterment of the squad, giving up valuable personal and professional time.
4. Teaching duties of the coach take precedence over cheer and pom responsibilities.

Camp

1. The coach will determine the campsite and dates. Summer camp dates will be announced at the mandatory tryout meeting. Families are expected to work around camp when planning summer activities.
2. Camp is an expectation for all members. Failure to not participate in Pom Camp may result in not participating in halftimes and/or benching during football games. Head Coach may also give demerits or use "free miss" for missed days of camp.
3. A squad member can be removed from candidacy if he/she cannot attend summer camp.
4. A squad member will be removed from candidacy from captain or other leadership positions if he/she cannot attend summer camp.
5. If a squad attends a summer camp, squad members are expected to pay their own camp costs, as well as the sponsor's and coaches' camp costs.
6. All district, school, and pom policies must be followed at all times at camp. Any discipline issues at camp can result in removal from the squad.
7. Squad members must have all required forms filled out on Rank One prior to the last day of May in order to participate.

Attendance Policy

1. Edmond Public Schools attendance policy will be followed at all practices.
2. Please refer to Attendance Policy #4215 in the Student/Parent Handbook-
 - a. On the tenth (10th) absence a student will receive a "no credit" on his/her transcript for the semester.
 - b. An absence is defined as missing more than fifteen (15) minutes of any part of class time.
 - c. Three (3) tardies equal one (1) absence.
3. Each member is expected to cover all games and tournaments for which their squad is responsible.
4. Some practices or games may be scheduled over school holidays and weekends.
5. If an athletic event is canceled or postponed, the squad members are to attend the rescheduled event.
6. Any practice or choreography dates scheduled after August 1st are **required** for all members.

Traveling and Away Games

1. For all out-of-town games, squad members must ride the designated and approved bus and must stay for the entire game.
2. After away games/events, squad members may be released to **their** parent/guardian only. If the coach approves a squad member riding home with their parent/guardian, the child can leave **ONLY** after their parent/guardian has properly communicated with the coach.

Grading Policy

Pom grades will consist of the following:

- Practices (25 pts per week) - points will be deducted if a squad member has an unexcused absence
- Games/Events (100 pts per event) - Squad member will receive a zero if they skip an event without submitting a miss form.

Game/Event Miss

- If a squad member needs to miss a game/event a *miss form* must be filled out and submitted online to the sponsor **24 hours prior** to the game/event. If a *miss form* is not submitted online **24 hours prior** to the event then it will automatically be considered unexcused.
- If a squad member is using their “free miss pass” for the semester, a *miss form* must be filled out and submitted online to the sponsor **24 hours prior** to the game/event for it to be excused.
- If a squad member is sick on the day of the event, **a parent** needs to notify the head coach as soon as possible so the absence can be excused. In order for an absence to count as excused, the coach must be notified of the illness at least **one hour prior** to the start of the event.
- Each participant will receive 2 free miss passes for the year to be used for doctor’s appointments or vacations. A maximum of 4 free miss passes per team (Varsity) and 2 free miss passes per team (Freshman) will be accepted by the coach for a single event. This will be granted on a first-come-first-serve basis.
- If a squad member is going to miss an event with a scheduled performance, they need to submit a miss form 2 weeks in advance unless it’s due to illness. Failure to do so will result in the game being considered unexcused and the squad member will receive a zero for the game and 3 demerits.

Split Squad Events

- **For all split-squad events, no game misses will be accepted.** If a squad member needs to miss a split event they are required to trade an event with another squad member. A **game trade form** must be filled out and submitted online to the sponsor **24 hours prior** to the event.

Practice Miss-

- If a squad member needs to miss practice, arrive late, or leave early for any reason (doctor’s appointment, school activity, vacation, etc.), the squad member must send the head and assistant coach a text message notifying us **24 hours prior** to the practice. The sponsor/coach will determine whether an absence is excused to unexcused.
- If a squad member is sick during school hours (i.e. pom practice class hour), a student or parent needs to text the head coach to notify that they will be gone from practice due to illness.

Game Conduct

1. The way that the Pom squad is perceived by students, parents, and patrons are largely decided at games. Therefore, while performing and cheering at games, Pom members are to stay in formation at all times and pay attention to the direction of the squad captains and the sponsor.
2. Gum chewing, slouchy appearance, jewelry, incorrect uniform pieces, or inappropriate dancing, gestures, and language will not be allowed and may result in an immediate benching.
3. If a pom member is out of uniform or in the wrong uniform, they will not be allowed to cheer. They will then sit with the sponsor.
4. An injured or ineligible pom member will be required to attend her pom-scheduled events/games in uniform and must sit with the sponsor.

State Pom

- **The 2022 State Pom Squad will be determined based on the Pom Tryouts**
- Students who try out for pom and make state will be required to fulfill all state requirements unless discussed with a coach **before** tryouts.
- Any freshman who makes the state pom team will need to have a 1-6 schedule
- Per EPS Cheer/Pom Contract, the size of the state squad is left to the discretion of the coaches. The state squad will be announced on the Pom Instagram. The state coaches may name 2-4 alternates for the state squad and may give alternates spots in the formation and compete on the squad. The coaches will determine if alternates will receive a spot after 6-8 weeks of practice. Alternates will only pay the state costume fee.

- Our state squad represents the very best of the Edmond Santa Fe Pom program. Coaches expect exemplary attitudes and behavior for all state squad members. Failure to comply with this expectation will result in demerits or possible dismissal from the state squad.
- State practices are **mandatory**. Missing a state practice will result in a demerit unless the squad member is ill. No exceptions. If a squad member is ill, one of the state coaches must receive documentation from a parent/guardian proving their sickness in order to not receive a demerit. If the squad member is ill but not contagious, they are expected to come to state practice and sit out. Failure to do so will result in a demerit.

Staying Connected Through Technology

In order to stay connected with our athletes and parent/guardians, we will use the following forms of communication. **The sponsors place a high priority on squad members' personal responsibility for their obligations.** During the school year, members who need to communicate with their sponsor should utilize time during the school day (class time, advisory, before or after school) to speak with their sponsor in person. Each athlete, and their parent/guardian, should take the following steps in order to receive important information regarding Edmond Santa Fe Pom.

1. **Email**- Important Pom information is sent to squadmembers and parent/guardians through email. All squad members and their parent/guardian are responsible for knowing all information sent via email. This is the primary form of communication for the parents.
2. **Google Calendar**- Once a participant has made a squad, the coach will email or text out instructions on how to sync your Smartphone calendar with the Santa Fe Pom Calendar! All squad members and parent/guardians need to subscribe to our calendars in order to always have up-to-date information on events, uniform schedules, parent meetings, etc. on their phones. If you do not have a Smartphone it will be the member's and parents' responsibility to check the calendar on the website for this information!
3. **Group text**- We will use this for the majority of the squad communication throughout the year. This will only be used to communicate information to the athletes regarding pom scheduling.

Actions and Consequences

1. At school events, including pom class, practices, and pom-related school activities, all school policies will be followed regarding student behavior and attendance.
2. Merits will be given at the coaches' discretion. Merits will be given for positive attitudes, additional community service, outstanding leadership, work on posters, etc. Competitive members will receive an additional 6 merits to compensate for the additional requirements.
3. Any violation to the *Edmond Public Schools District Cheer & Pom Contract* or the *Edmond Santa Fe Pom Athlete/Parent Handbook* may be handled with any combination of the following:
 - a. Loss of points on the academic grade for the physical education credit squad members receive for being on a pom squad.
 - b. Demerits may be issued by any coach or administrator. A squad member who accumulated twelve (12) demerits will result in suspension from the squad for the remainder of the year. On the 4th demerit, the squad member will be benched for the next game. The same applies for the 8th demerit accumulated. Please note that the members facing suspension from the squad have had adequate opportunities to earn merits that would offset demerits. Listed below are reasons demerits may be issued. They include but are not limited to the following items:

- If a squad member gets sick and cannot attend a game/event, they must use their “free pass” in order to not receive any demerits. Otherwise, the squad member will receive 2 demerits. A miss form should still be submitted.
- If a squad member is using their “free pass” for the semester, a *miss form* must be filled out and submitted online to the sponsor **24 hours prior** to the game/event for it to be excused. Each squad member will only receive 2 free passes per year

Absence at Practice

2 Demerits

- The sponsor/coach will determine whether an absence is excused or unexcused. Unexcused absences will result in up to 2 demerits. Examples include, but are not limited to:
